

S. TO REFUSE SURRENDER OF GERMAN PRIZE

State Department Decides Appam Is Entitled to Immunity Under Treaty CAN'T STAY INDEFINITELY

WASHINGTON, Feb. 5.—Great Britain will be told that she cannot have the Appam. The State Department has decided that as a war prize the British ship brought into Norfolk by Lieutenant Berge and a prize crew comes under the provisions of the Prussian treaty of 1795, as amended in 1838. Therefore, it is entitled to the immunity that comes under that document.

EX-FIREMAN STILL IN TRIM SAVES FAMILY FROM FLAMES

Frank Sheeran, until a year ago a member of Engine Company 54, 63d street and Haverford avenue, today found his long training as a fireman useful, when a fire started in the home of David Sheeran, who conducts a fruit store at 56th and Spruce streets, just across from where Sheeran lives.

MAY END "MARIE-ODILE" ROW

Director Wilson Will Hold Another Conference Tomorrow The controversy over the production of the play "Marie-Odile" at the Adelphi Theatre probably will be settled definitely at another conference of the officers of the Director of Public Safety Wilson tomorrow morning at 10 o'clock, when committees from the German and Catholic societies which have protested against the play will meet representatives of the theatre interests.

Krusen Warns Garbage Collectors

Director Krusen, of the Department of Public Health and Charities, today sent a circular letter to the garbage collectors of the city warning them the present unsanitary method of collecting garbage must be remedied or prosecutions will follow. The letter says that many of the wagons now in use are of the type required by law, that the wagons are frequently overloaded, that many of them are not covered tightly, as required by the law.

ADDRESSES ON MORMONISM Ex-Senator Cannon, of Utah, to Speak Three Times Tomorrow

MINERS' DEMANDS TO BE CONSIDERED AT MEETING ON FEB. 21

Operators Declare Rejection of Their Side Is Not a Rejection of Proposals From Men STRIKE NOT EXPECTED

HAZLETON MINERS DO NOT EXPECT STRIKE

HAZLETON, Pa., Feb. 5.—The general opinion here is that there will be no anthracite strike. It was pointed out by both sides that the operators have not rejected the demands of the men, but have simply stated their attitude, and that there is no change in the original plan of going into conference February 21.

SEES MISFORTUNE IN INCREASE OF WAGES

POTTSVILLE, Pa., Feb. 5.—William Wilhelm, of this city, who, at the instigation of the United Mine Workers leaders, arranged the basis of the settlement of the 1903 strike, and who was one of the four strikers' committee to ask for creation of the coal strike commission in 1912, said last night that the greatest misfortune that could come to the miners would be the granting of the proposed advance in wages.

Lackwanna Hopes for Peace

SCANTON, Pa., Feb. 5.—Members of the Mine Workers' Union are not alarmed over the statement issued by the coal operators. "This is simply a feeler thrown out to see how our public opinion is," said District President Dempsey today, "and we are not worried. We are going ahead with our preparations for the conference, and do not expect any trouble whatever. We, of course, expect opposition to our demands, but do not anticipate either a strike or suspension. In fact, we are hopeful of a peaceful agreement."

PASSENGERS RELEASED FROM APPAM

Passengers of the captured British liner Appam, photographed on their arrival in New York from Newport News last night on the Old Dominion liner Jefferson. Seated are Sir Edward Merewether, Governor of Sierra Leone, British West Africa, and Lady Merewether; standing, left to right, are Miss Elsie Underwood, Mrs. F. T. Fitz-Patrick, Miss L. M. Benson and A. S. Morrogardato, Police Commissioner of Sierra Leone.
